Headline: Quriosity Programs for Forward-Thinking Schools.

Intro: Some schools want the syllabus to come alive. Others want to train students to be quizzers, keep them up to date with current affairs, or to up-skill teachers. We do it all.

Mascot bubble: Since 2014

In the classroom

- **Discover Curriculum:** Making the syllabus come alive. Science, social science and general knowledge, taught through quizzes, stories and activities, so students see why it matters.
- **Discover Skills:** Marks matter, but so does knowing how to think. Sessions that build creativity, critical thinking and teamwork.
- **Quiz Hobby Program:** Where curiosity turns into confidence. An after-school program for students who love quizzing, with formats that build speed, teamwork and stage presence.
- **Financial Literacy:** Money matters, made simple. Practical lessons on saving, spending and choosing well.

For your teachers

- **Teacher-Led Modules:** Empowering teachers, inspiring students. Ready-to-use modules on life skills and logical reasoning, with lesson plans and workbooks, so your own teachers can lead.
- **Teacher Training Workshops:** Teachers trained before the school year begins, so delivery is smooth from day one.
- **Quiz Platform:** Curiosity at your fingertips. A bank of curated questions, plus QShots, short daily quizzes that keep students curious every day.

Flagship Quizzes

- **QQL Club:** A daily quiz habit for your students. Five fresh questions arrive by email every day, with an answer review after each quiz and a Monthly Mega Quiz at the end of every month. ₹499 for six months from the day a student joins, and open to all ages.
- **QShala Quiz League (QQL):** Our annual national online quiz league. Weekly quizzes through the tournament, then a live Grand Finale.
- **QShala Quriosity Quiz (QQQ):** An in-person quiz in Bangalore, held every year in junior and senior editions and open to all schools.

Annual Collaborations

Quizzes we build together with other organisations:

- **Neev Literature Festival:** Students read 30 books over three months as part of the NLF Reading Challenge and we run the quiz on them. ONline preliminary rounds, semi-finals, and the final takes place on festival day in Bengaluru, with six teams from six schools.
- **Safety Quest:** An online road-safety quiz, free to join and open nationwide, held every year with the Arundhati Foundation, a Bengaluru non-profit working on road safety.**Contact block:**
